Tony Caruso – via phone	Cheri Ratay	Jay Shipe
Robin Connell	Karin Senneff	Jon Senneff
Mary Golden		Josh Senneff

The meeting was called to order by CalScape Program Chair Karin Senneff at 9:15 am.

REVIEW OF AGENDA AND APPROVAL OF MINUTES

Bill Meade motioned to approve the July 31, 2010 meeting minutes and Tony Caruso seconded.

PREDICTIVE INDEX SUMMARY

During the first half of the meeting CalScape Program Chair Karin Senneff described the Predictive Index, a tool that can be used to measure work place behavioral strengths. Karin reviewed each committee member's index, the result of a survey taken prior to the meeting. Almost without exception, committee members present agreed with what the index had to say about their personality characteristics and the way they express themselves in the workplace.

CALSCAPE EXPO SHOWCASE 2010

The committee reviewed the 2010 CalScape Expo Executive Summary pages of the 2010 report.

CALSCAPE EXPO SHOWCASE 2011

With Josh Senneff's caution that "exhibitor discontent killed the ALCA interiorscape show" lingering in the air, a tentative 2011 schedule was developed:

Raffle

Jay Shipe reported that Matsui Orchids offered to orchids to colorbowl. Jay would like to approach him regarding donating a \$250 gift cert for a raffle item. Jay volunteered to be the Raffle Chair and suggested that donors have to be a PIA member to donate an item to the raffle.

MARKETING

The committee recommended taking ASI and Kathy Fediw up on their offer to publicize the 2011 event.

Led by a Next Gen initiative, the committee polled the group and voted to adopt Plantscape Industry Expo as the new name for CalScape Expo.

Marketing Message du Jour – These included: the change of name to Plantscape Industry Expo from CalScape Expo; "What happens in Vegas does not stay in Vegas".

Next Meeting – The following meeting schedule was set:

Sat. Jan 22, 2011 in conjunction with TPIE
Saturday in Atlanta on March 12 in conjunction with the PIA ed program
May 12 and 19 telecom at 10 central
Saturday July 30 in person in Vegas
Oct 14 & 15, 2011 TBA

The best time for the majority present to participate in a telecons was determined to be Thursdays at 10 am, Central time.

Allied Industry Liaison Report

Due to insufficient time at the PIA meeting, Rich Batcho's report was delayed until the CalScape meeting. Rich reported that PLANET reached out to OFA to help PLANET conduct a day-long interiorscape educational program at Longwood Gardens in April. The agenda will be tech oriented. Rich has been working to get interiorscape industry education offered on the east coast. Rich's role with OFA is the chair of the Interiors and Decorations committee. He is also on the PLANET's interior specialty group. Rich reported that both OFA and PLANET have approximately 250 members.

Next Gen Membership Report

Cheri Ratay described the mind map she and the membership task force developed during the 8 am meeting. Key components to the success of the 500 company membership goals.

1. Identify regional champions to get names of interiorscape companies from allied trade companies

2. Enhance the website;
Create more company links
Get more downloadable products on the website
Goal to make the website a resource that is used on a weekly basis
Embrace the fact that many interiorscape companies are doing exterior work.

3. Marketing materials
Promote the use of the PIA logo
Answer the question "Can you find the planter you are looking for?"

4. Certification

Other Business

Elliott shared the contact info for a Dept. of Labor person who works with stimulus grants for non-profits. She says small business is a key group they are targeting for assistance.

The meeting adjourned at 3:20 pm.
